

## HughesNet Gen5 for Government: 2-Year Plans

The next generation of high-speed satellite Internet.

### Available Where You Are Today

Finally, all of your sites can get high-speed connectivity, even if you're located beyond the reach of cable or are limited by slow DSL. Wherever you are, HughesNet Gen5 provides a reliable, secure, always-on network that gives you instant access to the mission-critical information and applications you need—email, payment transactions, web pages, sharing files, online videos, and more.

### 5 Reasons to Choose HughesNet

#### 1. Fast Speeds

HughesNet Gen5 is fast, with download speeds of 25 Mbps on every plan.\*

#### 2. Unlimited Data

All plans have No Hard Data Limits. If you exceed the amount of data in your plan, we won't cut you off or charge you more. Stay connected at reduced speeds.

#### 3. Built-in Wi-Fi

Featuring the latest Wi-Fi standards and technology to easily connect your wireless devices throughout your home.

#### 4. Available in More Places

HughesNet Gen5 is available where you do business—even where cable and fiber cannot reach.

#### 5. Trusted by More Businesses

You can rely on America's #1 choice for satellite Internet.

\*Actual speeds may vary and are not guaranteed.

[See reverse for plan details!](#)

### Right For Your Agency

The great features don't stop with faster speeds and more data. Every HughesNet Gen5 plan comes with even more great benefits to help you get the most from your service.

Keep connected with a generous amount of Daytime Data to help you get more done during standard business hours (8am–6pm), as well as a huge amount of Anytime Data that's available to use 24/7.

There are no hard data limits.† Even if you exceed your plan data, we won't cut you off or charge you more. You can stay connected at reduced speeds until your next billing cycle.

Plus, all plans include a commercial-grade .9 meter satellite antenna designed to provide high-reliability for small office use, and a commercial installation package tailored for locations like park stations, schools and offices.

### Industry Leadership

Hughes® has three decades of experience delivering managed network solutions to Fortune 500 companies. Using that experience, Hughes created a robust suite of high-speed Internet plans specifically tailored for small and medium-sized sites.

With HughesNet for Government, you can seize new opportunities, reach more constituents and achieve your daily missions. Let Hughes—the industry leader in high-speed satellite Internet—put the power of broadband into your agency.
